This Writ Petition filed under Article 226 of the Constitution of India with an affidavit praying to: Direct the respondents to regularise the service of the petitioner and etc.

This Writ Petition coming on for hearing this day, the Court made the following:

O R D E R

Petitioner claims that he was appointed on daily wage basis as Pump Operator by the 1st respondent - Karnataka Industrial Area Development Board. According to him, he is continuously working with the respondents only on daily wage basis.

Petitioner in this petition has sought for a direction to the respondents to regularise his services in the post held by him on daily wage basis and also to pay the salary on par with other regularly appointed Pump Operators.

Petitioner had approached the respondents authorities by his representation dated 26.11.1992 requesting them to regularise his services in the post held by him. Since the same has not been considered by the respondents, within a reasonable time, he has approached this Court for the reliefs indicated by me already.

Whenever an aggrieved person makes a request to the respondents - authorities, the responsible respondent should have considered that request within a reasonable time. Since such a thing has not been done by the respondents in this petition, a direction needs to be issued to the respondents to consider the request made by the petitioner by his representation dated 26.11.1992.

In that view of the matter, this petition is disposed off and a direction is issued to the respondents to consider the representation made by the petitioner for regularisation of his services and for payment of salary on par with other regularly appointed Pump Operators, in accordance with law and in accordance with Service Regulations of the Board and pass appropriate orders, as expeditiously as possible, at any rate within six months from the date of receipt of a copy of this Court's order. Ordered accordingly.

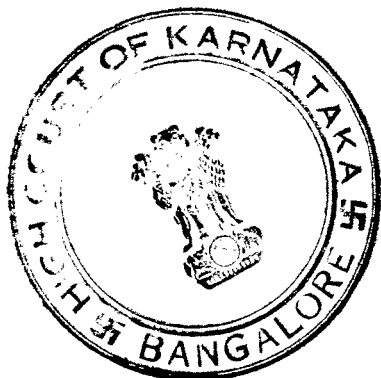

Sd/- Judge.
